Please send Rx pads

Please send shipping boxes

**Things to NOTE When Placing Orders**

- Do not pour up models with bands or appliance in place.
- Tape bands to Rx Prescription Sheet.
- Take time to closely inspect your casts before you send them to the lab.
- Ensure models are well wrapped & protected for shipping.
- Please indicate a "due date" on each prescription.  
*(We suggest this date be one day prior to the actual appointment date).*
